

Order hour on behalf of the Progressive Caucus, which has advanced the Medicare for All plan, and I encourage everybody to check it out.

But in any event, we are not retreating 1 inch from defending the Affordable Care Act and the progress that has been made under it, and I hope that we will have maximum transparency and scrutiny of what came out of the Senate today, because we think that the only possible outcome is that bill will go down; then we can come together, find the commonsense solutions, find the common ground, and make progress for the American people.

Mr. Speaker, thank you very much. I yield back the balance of my time.
